MEMORANDUM FOR: Chief, Special Security Center

ATTENTION

25X1

FROM:

CHIEF, SECURITY OFFICER, ICS

SUBJECT: Request for Q Clearances

1. [REDACTED] the Chairman of the Information Handling Coordination Staff, Intelligence Community Staff and his Deputy, [REDACTED] will travel to the Lawrence Livermore Laboratory in California and Los Alamos facilities in New Mexico on 29 and 30 April 1982. Their visit is an orientation tour of those facilities to determine how intelligence data is being handled by their respective information processing centers. In connection with their trip, which is on behalf of official business, they will require Q Clearances.
